A SUBSTITUTE FOR THE 1840 CENSUS OF ASHLEY COUNTY, ARKANSAS

Due to the fact that Ashley County, Arkansas was not formed until November 1848, there is no 1840 census for it. Of the present-day adjoining counties, only Union and Chicot were in existence in 1840, and the territory that now includes Ashley County was part of the area which in 1840 was a part of the above two counties.

The following Union and Chicot County names were abstracted from AN INDEX TO FIFTH UNITED STATES CENSUS OF ARKANSAS, published by Bobbie Jones McLane and Inez Halsell Cline. It is possible that some names may have been missed by the abstractor, and the above named book should be checked in case of doubt.
